

DS18B20

A schematic symbol for a DS18B20 digital temperature sensor, consisting of a semi-circular shape with a flat base.

R1

A schematic symbol for a resistor, represented by a vertical rectangle with short horizontal lines at each end.

VCC

A schematic symbol for a VCC power supply, represented by a vertical rectangle.

ESP8266

A schematic symbol for an ESP8266 module, represented by a horizontal rectangle with a series of small triangles along its top and bottom edges.
